### First test for 2-18

#### 1. Essay

A detailed description of the program's activities, attendance and the response of the participants.

- o Did you reach your program goal?
- o How did the actual program differ from your proposal?
  - What worked?
  - What didn't work?
  - What would you do differently?
  - What surprised you?

#### 2. Educator Statement

Provide a statement that answers these three questions:

- o What was the most rewarding thing about the mini-grant experience for you?
- o What was the most rewarding thing about the mini-grant experience for your students?
- o What was the most valuable thing about being awarded a mini-grant?

#### 3. Student Statement

Ask students/participants for a candid statement conveying the impact of the program.

- o What is something new that you learned?
- o What surprised you?
- o What was your favorite part of the program?

#### 4. Photographs of the Program

**Upload a minimum 8 and maximum 20 photos showing these three stages of your program.**

Please focus on these aspects:

- o Preparation
- o Student engagement in activities
- o Final outcome

Upload your **photos** as photos

No file chosen

\* We accept (jpg, jpeg or png)—the photos must be sent separately even if they are also included with, or embedded in a presentation (PowerPoint, pdf, or video).

#### 5. Support Materials in All Formats

- o Include all materials created to represent your program
  - Audio, video or powerpoint presentations
  - Announcements, flyers and articles
  - Web, Facebook, or social media (posts or links)

Upload your **support materials** as files

No file chosen

#### 6. Social Media Tags

Send us your social media tags so we can include them in our Mini-Grant posts.
